FRONTENAC

USD 249 Frontenac Schools

October 2018

Dear Parents/Guardian:

Flu Season is nearly here, KidCare Connection Van will be providing flu vaccinations at school. The flu vaccine will be available to all students Pre-K-12 with parental permission only. If you would like your child to receive the seasonal influenza vaccination in school, please follow the steps below.

Step 1 Consent (please complete and return prior to clinic date)

- The Outreach Consent Form must be completed in ink and signed by a parent or legal guardian.
- The Influenza Informed Consent Form must be completed in ink and signed by a parent or legal guardian.
- Forms need to be completed and returned to the school prior to the scheduled clinic
- Your child will not be vaccinated if we do not receive a completed forms.

Step 2 Payment

- CHC/SEK will bill your child's insurance, if applicable, but no out of pocket cost.

Flu Vaccination Clinic – November 1, 2018

If you have additional questions about flu vaccination, please contact me by phone or email.

Sincerely,

Eileen McFarland, RN
USD 249 School Nurse

FOR PATIENTS AGE 18 and UNDER -- Indicate VFC Eligibility						
___Medicaid/VFC		___Native Am/ Alaskan Native	__Underinsured*^	___Underserved**^	___No Health Insurance	___Fully Insured

*Underinsured children: insurance does not cover immunizations, are eligible through VFC program if vaccinated at a FQHC or RHC.

**Underserved children: children have insurance co-pay or deductible high enough to provide a barrier to immunizations.

^ Underserved and Underinsured children are eligible through state funded vaccine program if vaccinated at a public county health clinic.

I have been offered a copy of the Vaccine Information Statement (VIS). I have read, had explained to me, and understand the information in the VIS. I ask that the vaccine be given to me or to the person named above for whom I am authorized to make this request. If a minor, I consent to inclusion of this immunization data in the Kansas Immunization Registry for myself or on behalf of the person named above.

A copy of the notice of Privacy Practices has been made available to me.

Signature of Patient or Parent/Guardian _____ Date _____

What to do for "yes" answers:

1. document in patient electronic medical record
2. if no, and less than 9 years old, will need 2nd immunization after 30 days
3. if yes, no flu shot or mist
4. if yes, no immunization, return for immunization when well
5. if yes, advise patient of the increased risk of allergic reaction. If patient elects to receive vaccine, watch for 15 minutes after administering immunization for reaction.
6. if yes, may use flu-mist or single dose infant. NOT fluzone multi-dose
7. no flu shot or mist
8. if yes, give flu shot, NOT flu-mist
9. if yes, give inactivated flu shot, NOT flu-mist
10. if yes, no immunization today, return 2 weeks after steroids completed
    (for patients chronically on steroids (>2weeks), give inactivated flu shot today)
11. if yes, only give inactivated flu shot, NOT flu-mist. Can be given anytime during pregnancy

Influenza vaccine dosage, by age group

Age	Dose	No. of Doses
6months-8 years	0.5mL	2*
9 years through Adults	0.5 mL	1

*Two doses are recommended for children under 9 years of age who have not been previously vaccinated with influenza vaccine. The two doses should be administered at least one month apart and if possible, the second dose should be given before December

Lot #: Manufacturer: Exp: NDC:

VIS DATE: 08/07/2015

___ 0.5 ml administered to the LEFT / RIGHT deltoid/ anterolateral
